COVID-19 Mitigation and Prevention Plan

2021-2022

As of August 12, 2021

<p>FACE COVERINGS</p>	<p>Iowa law prevents schools from requiring face coverings for all teachers, staff, students, and visitors. The CDC, however, recommends universal indoor masking in K-12 schools, regardless of vaccination status.</p> <p>St. Athanasius encourages mask wearing; it is one of the layered prevention strategies to keep our students healthy. Parents should discuss with their child(ren) their family's decision and the importance of respecting the face covering decisions of others.</p> <p>Face coverings may be required at school masses held in a church building at the discretion of the pastor and following local parish practices.</p>	<p>HF847</p> <p>CDC-FC</p> <p>IDPH</p>
