Why Families Choose St. Athanasius Catholic School

“ Our three kids attend Saint Athanasius because we love the close knit feel and smaller class sizes.

It's a supportive environment where they feel comfortable, challenged and encouraged to do their best. ”

Myth: Faith-based private school tuition costs more than ESA funds cover. **False!**

The Truth: All private schools offer tuition assistance through School Tuition Organizations (STOs), and additional financial support may be available for families who qualify based on income.

A Catholic education may be more affordable than you think—and within reach for more families than ever before.

TUITION ASSISTANCE

At St. Athanasius, we believe a strong Catholic education begins early—and it should be accessible to every family who desires it.

Our 3-year-old Preschool Program meets Monday, Wednesday, and Friday from 8:00–11:00 a.m.

This program is made possible through the generosity of a donor who believes deeply in building a strong foundation of faith, learning, and community at the earliest level.

Our 4-year-old Preschool Program meets five full days a week and is supported through state funding.

Families whose child turns five before September 15 may qualify through ESA and STO programs, providing additional options for coverage.

Because of these opportunities, families who desire a Catholic education for their child can find a pathway to make it possible at St. Athanasius. We would love to partner with you as your child begins their educational journey rooted in faith, values, and academic growth.

Please reach out with any questions or to schedule a visit.
