Dear Parents and Guardians,

Many hands make light work! What a wonderful example of God's community working together during our Fire Inclusion Picnic! We are incredibly grateful to everyone who helped make the afternoon such a success. A special thank you to **Becker Electric** for updating our electrical outlets to support the bouncy houses, and to the **Knights of Columbus** for generously setting up and tearing down the inflatables. We are also grateful to the many parents, grandparents, staff members, and volunteers who gave their time and energy to make this a memorable afternoon for our students. When we work together, we truly see the power of community in action!

Answering God's Call to Serve

We are especially proud to announce that two of our teachers, **Grace Ceresa and Lisa Junk**, have been selected to serve on the **Archdiocesan Social Studies Curriculum Review Committee** this year. We are grateful that they are willing to share their time, knowledge, and expertise in service to Catholic education throughout the Archdiocese.

Thank you, Grace and Lisa, for answering God's call to service!

Wildcat Athletics

Wildcat Volleyball will wrap up its season this week with **three games, including two home games**. Come out and cheer on our Wildcats as they finish their season!

Junior High sports transportation information is included in this week's update. Please be sure to review the schedule carefully for game times and transportation details, including who will be providing transportation for each activity.

A special thank you to all of our **coaches, volunteer drivers, officials, and families** who make it possible for our students to participate in athletics. Your support allows our students to develop teamwork, perseverance, responsibility, and leadership while using the gifts God has given them.

Good luck to all of our Wildcats this week! May you continue to glorify God through the gifts and talents He has given you.

Thank you for continuing to make St. Athanasius such a wonderful place to **learn, lead, serve, and pray**. Whether you volunteer your time, cheer from the sidelines, attend school events, support our teachers, or encourage your children each day, **you are an important part of our school community**. We are truly blessed by the many hands that come together to support our students!

Have a blessed week as we continue to **"Grow Together in Christ!"**

**Peace,
Mrs. Bautista**
